

**NDIA-DVC CHAPTER MEMBER INVITATION
2016 Chapter Awards Presentation**

The Delaware Valley Chapter of NDIA is pleased to announce we are partnering with the American Society of Naval Engineers to present our 2016 Chapter awards at the ASNE Advanced Machinery Technology Symposium biennial conference on May 25, 2016.

2016 NDIA-DVC Awardees:

Henry S. Rothrock Distinguished Service Award -
Stephen M. Michetti, Naval Surface Warfare Center
&

C. Jared Ingersol Liberty Bell Patriots Award –
Alex Archawski, Greater Philadelphia Veterans Network

Date & Location:

American Society of Naval Engineers Advanced Machinery Technology Symposium
Wednesday, May 25, 2016 at 11AM
Villanova University Connelly Center, 800 E. Lancaster Avenue

The Advanced Machinery Technology Symposium 2016 (formerly EMTS) is a biennial conference that provides the naval engineering community with the technical presentations, expert panels, and networking opportunities to keep abreast of the Navy's progress and remaining challenges in developing and providing smaller, simpler, more affordable, and more capable power systems for future Navy ships.

The Agenda for the Conference can be viewed at the following link:
