Veterans Day Membership Event

Thursday, 7 November 2013, 4 – 6 PM

As our observance of Veterans Day, the William Penn Chapter of the Association of the United States Army and the Delaware Valley Chapter of the National Defense Industrial Association are sponsoring an event with Drexel University. Please plan on attending this special membership event to reflect on the contributions of American Veterans throughout our nation's history. We will join members of the Drexel University Veterans Task Force along with guests from the faculty, administration and greater Philadelphia community on this occasion.

Our program will include a screening of *War Comes to America*, the 7th and final film in Frank Capra's iconic film series, *Why We Fight*, commissioned by the U.S. government during World War II to show American soldiers the reason for our nation's involvement in the war. The film will be followed by a panel discussion lead by veterans, historians and military experts who will engage with the audience to discover more about the film's great significance.

Student-veterans and members of the Drexel Veterans Association will be present for a special SALUTES honor society induction and remarks from their generation of service men and women. In addition, Drexel MBA Students will be recognized for their Save-A-Suit Initiative this fall that benefits local veterans who are transitioning into the civilian workforce. This William Penn Chapter membership meeting will take place on the Drexel University campus, Mitchell Auditorium, Bossone Research Enterprise Center, 3128 Market Street, Philadelphia, PA 19104, courtesy of the Veterans Task Force, Office of Veteran Student Services.

Chapter members, their families and friends are invited and encouraged to attend. Admission is only \$7.00; Student-veterans and ROTC / JROTC cadets and cadre will be guests of the chapter. We look forward to having you with us!
